EXPERIENCE

Freelance Designer and Web Developer / *May 2010 - Present*
 Sarah DeMercurio *Warren, MI*
- Clients range from local start-ups to west coast start-ups and major corporations.
- Experience with logo and branding, web design, design layout for print and web.
- Experience with designing responsive, accessible websites and applications.
- Experience with prototyping tools such as Figma to deliver an accurate visual of the product before development.
- Technologies I use include but are not limited to:
  HTML5, CSS, Javascript, NodeJs, Express, React, GitHub, Netlify, Mongodb, Bootstrap

.

Graphic Designer / *May 2013 - March 2020*

Trevco Inc. *Madison Heights, MI*

- Creation of designs and graphics for one of the largest licensed direct-to-garment (DTG) apparel companies in the country With clients such as DC Comics, Warner Bros, CBS, and Harry Potter.
- Being a relatively small yet fast-growing company, I was able to adapt to an ever-changing protocol. This meant learning and navigating new technologies on the fly while maintaining expected production flow.
- Responsible for organizing and managing all samples necessary for licensors and ensuring acceptable print quality.
- Personally handled accounts for HBO, Showtime, and other major networks to guarantee the best quality and client satisfaction

Education

Certificate, Full Stack Web Development – Michigan State University - East Lansing, MI (remote)

Bachelor of Fine Arts, Graphic Design – Wayne State University - Detroit, MI
